

MICHIGAN DEPARTMENT OF ENVIRONMENTAL QUALITY
PO BOX 30473
LANSING MI 48909-7973

CALENDAR

July 23, 2007

- ♦ **ENVIRONMENTAL ASSISTANCE CENTER**
800-662-9278
E-mail: deq-ead-env-assist@michigan.gov

The DEQ Environmental Assistance Center (EAC) is available to provide direct access to DEQ environmental programs, answers to environmental questions, referrals to DEQ technical staff, and quick response. Questions on any items listed in the DEQ Calendar can be referred to the EAC.

- ♦ **PUBLICATION SCHEDULE**

The DEQ Calendar is published every two weeks, on alternate Mondays, by the Michigan Department of Environmental Quality. We welcome your comments.

- ♦ **CALENDAR LISTSERV**

You may subscribe to receive the DEQ Calendar electronically by sending an Email to the listserv at LISTSERV@LISTSERV.MICHIGAN.GOV and in the body of the message type Subscribe, DEQ-CALENDAR, and your name.

- ♦ **INTERNET ACCESS**
www.michigan.gov/deqcalendar

The DEQ Calendar is available on the DEQ World Wide Web site in pdf and html format. Access the calendar at www.michigan.gov/deqcalendar.

- ♦ **TIMETABLE FOR DECISIONS**

No decision listed in the DEQ Calendar will be made prior to seven days after the initial Calendar publication date.

- ♦ **TIPS FOR CITIZEN INPUT**

Refer to the "Public Involvement Handbook, A Citizens Guide" to increase the effectiveness of your input into DEQ programs. Access the handbook at www.michigan.gov/deq and click on "Get Involved, Programs for Citizens."

- ♦ **CONTENTS**

PART I:
ENVIRONMENTAL ISSUES, PERMITTING AND RELATED REGULATIONS

Permit Decisions Before the Office of the Director

**AIR QUALITY
DIVISION**
See Map – No. ❶

AUTOALLIANCE INTERNATIONAL (SRN N0929), FLAT ROCK, WAYNE COUNTY: Written comments are being accepted on the draft Administrative Consent Order (ACO) to resolve odor and other violations of Act 451 and the draft Permit to Install (PTI) No. 89-07 for a new plastic parts coating exhaust stack and the ducting of currently uncontrolled topcoat emissions to the existing control system. Additionally, the revisions to the existing permit will require revisions to the Renewable Operating Permit (ROP) No. MI-ROP-N0929-2003. This public comment period meets the public participation requirements for a future administrative amendment to the ROP. The facility is located at 1 International Drive, Flat Rock, Michigan. The responsible official for the source is Gary Roe, AutoAlliance International, Inc., 1 International Drive, Flat Rock, Michigan 48134. Draft ACO, ROP, and New Source Review public notice documents can be viewed on the Internet at www.michigan.gov/deqair. Written comments for either the draft ACO or the PTI should be sent to William Presson, Acting Permit Section Supervisor, Michigan Department of Environmental Quality, Air Quality Division, P.O. Box 30260, Lansing, Michigan 48909. Public comment will be taken through August 1, 2007, and a public hearing and informational session will be held on August 1, 2007 (see August 1 listing in this calendar). Information Contacts: **Mike Kovalchick**, Air Quality Division, 517-335-6343 (regarding the ACO); **Stephen Zervas**, Air Quality Division, 517-373-7083 (regarding the PTI). Decision-maker: **Lynn Fiedler**, Acting Air Quality Division Assistant Chief.

PROPOSED FILLED BOTTOMLANDS DEED, ST. CLAIR COUNTY. Proposed filled bottomlands deed to a 0.40-acre parcel of Lake St. Clair public trust bottomlands in the St. Clair Flats, Middle Channel Section, Clay Township, St. Clair County. File MC 136. Contact: **Tom Graf**, Land and Water Management Division, 517-335-3471. Decision-maker: **DEQ Director**.

LAND AND WATER MANAGEMENT DIVISION See Map – No. ⑧

PROPOSED CERTIFICATE OF ACCRETION, SANILAC COUNTY. Proposed certificate of accretion for a 0.65-acre parcel of Lake Huron public trust bottomlands in the Village of Port Sanilac, Sanilac County. File LH 471. Contact: **Tom Graf**, Land and Water Management Division, 517-335-3471. Decision-maker: **DEQ Director**.

LAND AND WATER MANAGEMENT DIVISION See Map – No. ⑨

PROPOSED PRIVATE USE AGREEMENT, CHEBOYGAN COUNTY. Proposed private use agreement for a 0.38-acre parcel of Lake Huron public trust bottomlands in the Village of Mackinaw City, Cheboygan County. File LH 470. Contact: **Tom Graf**, Land and Water Management Division, 517-335-3471. Decision-maker: **DEQ Director**.

WASTE AND HAZARDOUS MATERIALS DIVISION See Map – No. ⑩

MICHIGAN DISPOSAL WASTE TREATMENT PLANT, WAYNE COUNTY; MID 000 724 831. Consideration to issue a Part 111, Hazardous Waste Management, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended, operating license to the Michigan Disposal Waste Treatment Plant to continue operation of its storage and treatment facility located at 49350 North I-94 Service Drive in Belleville. Information Contact: **Kimberly M. Tyson**, Waste and Hazardous Materials Division, 517-373-2487, or Email at tysonkm@michigan.gov. Decision-maker: **George W. Bruchmann**, Chief, Waste and Hazardous Materials Division.

Proposed Settlements of Contested Cases

LAND AND WATER MANAGEMENT DIVISION See Map – No. ①

WAUMEGAH LAKE IMPROVEMENT BOARD, SPRINGFIELD TOWNSHIP, OAKLAND COUNTY. **Permit Application Number 03-63-0300-P.** The Land and Water Management Division (LWMD) is proposing to settle a pending contested case with the Waumegah Lake Improvement Board (Board) for augmentation of the lake level and related construction. The LWMD originally denied a permit application filed on behalf of the Board for activities related to augmentation of the lake level with the intent of raising the water level to 1049.9 N.G.V.D. (summer legal lake level). The LWMD issued a permit in 2004 which authorized the placement of 188 cubic yards of fill in wetland to stabilize and reinforce existing berms, placement of riprap in the lake at the discharge point of the augmentation well, and inundation of wetlands along the lakeshore by raising the water level of the lake to the elevation of 1048.8 N.G.V.D. Since 2004 the Board has provided additional information which indicates recent historic and continuous lake levels of at least 1049.4 N.G.V.D. Based on this information, the LWMD is proposing to settle this contested case by agreeing that the augmentation of the water level in the lake when the lake level is below 1049.4 N.G.V.D does not require a permit. The LWMD is also proposing as part of the settlement to extend the permit issued in 2004 to authorize completion of the berm stabilization and reinforcement. To view a summary of the proposed settlement, go to www.michigan.gov/deq (click on 'inside DEQ' and 'Land and Water Management Division'). Information Contact: **Kimberly Fish**, Land and Water Management Division, 517-335-3190, or Email at fishk@michigan.gov.

Administrative Rules Promulgation

AIR QUALITY DIVISION

PART 55, AIR POLLUTION CONTROL, NATURAL RESOURCES AND ENVIRONMENTAL PROTECTION ACT, 1994 PA 451, AS AMENDED. The Department intends to develop proposed revisions to the Air Pollution Control Rules (SOAHR 2007-026EQ). The proposed amendments to R 336.1941 to R 336.1947 will adopt by reference the federal Maximum Available Control Technology standards. In addition, the proposed addition of R 336.1970 to R 336.1980 will provide the regulatory basis and methodology that affected sources must follow to comply with Best Available Retrofit Technology of the federal regional haze rules. Information Contact: **Teresa Walker**, Air Quality Division, 517-335-2247. Decision-maker: **DEQ Director**.

Announcements

REMEDATION AND REDEVELOPMENT DIVISION JULY – SEPTEMBER 14, 2007

CALL FOR IDEAS (now through September 14, 2007) FOR BROWNFIELDS 2008-DETROIT CONFERENCE. Gear up for the largest gathering of Brownfields stakeholders – the BROWNFIELDS 2008 conference – to be held on May 5-7, 2008 at the Cobo Center in Detroit. With nearly 6,000 attendees, over 150 educational sessions, more than 200 exhibitors, and unrivaled networking events – this National Brownfields Conference is the premier event of its kind and is co-sponsored by the U.S. Environmental Protection Agency (EPA) and the International City/County Management Association (ICMA). The **CALL FOR IDEAS is open from now through September 14, 2007!** To create an exceptional educational experience, we welcome your perspective on the most important issues facing brownfields practitioners, policy makers, communities, and companies. Please send your abstracts, proposals for complete sessions, or simply an idea that you think should be considered for the 2008 conference today! Brownfields 2008 includes timely and valuable knowledge and skill building workshops, exceptional business development and networking opportunities, and hundreds of product and service providers in the exhibit hall to meet your project needs. Visit www.brownfields2008.org to learn the latest, submit your Call for Ideas, and sign up for the Brownfields 2008 e-newsletter. The DEQ is an official endorser of Brownfields 2008. Information Contact: **Ronald Smedley**, Remediation and Redevelopment Division, 517-373-4805, or Email at smedleyr@michigan.gov.

REMEDATION AND REDEVELOPMENT DIVISION JULY 30 – AUGUST 29, 2007

SECOND ROUND OF APPLICATIONS (July 30-August 29, 2007) – TEMPORARY REIMBURSEMENT PROGRAM FOR LEAKING UNDERGROUND STORAGE TANK SITES. The Michigan Department of Environmental Quality (DEQ) Remediation and Redevelopment Division (RRD) will administer the second round of the Temporary Reimbursement Program (TRP) created by the July 20, 2006, amendments to Part 215, Refined Petroleum Fund (RPF), of the Natural Resources and Environmental Protection Act, 1994 PA 451.

Overview: The first round of the TRP allocated approximately \$26 million for owners and operators who had approved claims under the former Michigan Underground Storage Tank Financial Assurance (MUSTFA)¹ Program or persons with a valid assignment of an approved MUSTFA claim for high risk sites, provided certain other eligibility criteria were met. The TRP assists owners and operators in paying for newly incurred cleanup costs associated with releases from their petroleum underground storage tank systems. Note that the program is only for new costs incurred after approval of the pre-certification application. Funds remain for a second round of applications that will be accepted on a first-come, first-served basis. Applicants who were approved in the first round for a given site cannot reapply for the same site. Applicants denied in the first round due to the site risk not being a class 1 or class 2 before May 9, 2005, may reapply if the latest information shows that the site is a class 1 or a class 2. The eligibility criteria for the second round are the same as those for the first round except that the site risk of class 1 or class 2 must be based on the most recent data.

Eligible persons shall receive reimbursement of 80 percent of each approved work invoice, up to a maximum total reimbursement amount of \$50,000.00 per approved site. The remaining 20 percent, up to a maximum of \$12,500, is considered a co-pay amount to be paid by the applicant. If funds still remain after all allocations, the remaining money will be allocated on a prorated basis among the approved first and second round applicants. To receive funding, the applicant must retain a Qualified Underground Storage Tank Consultant (QC) to perform the corrective actions in accordance with Part 213.²

Application Timeframe: The application form for the second round will be available on the Internet at 8:00 a.m. July 30, 2007, and will be accepted from July 30, 2007, through 5:00 p.m. August 29, 2007. Applications submitted outside this window will not be considered. Subscribers to the DEQ-RRD electronic mailing list (listserv) will also receive the application form when it is released.

For more information: Details on the program and the enabling legislation are available from the [RPF – Temporary Reimbursement Program link](#) on the RRD homepage at www.michigan.gov/deqrrd.

In order to receive further updates on the TRP, the DEQ recommends that you subscribe to the Remediation and Redevelopment Division's electronic mailing list (listserv) by sending an Email message to rpf@michigan.gov.

Information Contacts: **Robert Reisner**, Funding Support Unit Chief, Remediation and Redevelopment Division, 517-335-6843, or Email at reisnerr@michigan.gov, and **Paula McAllister**, Temporary Reimbursement Program Unit Chief, Remediation and Redevelopment Division, 517-335-7251, or Email at mcallisp@michigan.gov.

¹ The former MUSTFA program created under Part 215 of Act 451.

² Part 213, Leaking Underground Storage Tanks, of Act 451

Public Hearings and Meetings

Note: Persons with disabilities needing accommodations for effective participation in any of the meetings noted in this Calendar should call or write the appropriate meeting information contact listed below at least a week in advance to request mobility, visual, hearing, or other assistance.

**JULY 23, 2007
6:30-7:00 p.m.**

TENTATIVELY SCHEDULED INFORMATIONAL SESSION REGARDING GAGE PRODUCTS, FERNDAL, OAKLAND COUNTY, proposed Permit to Install application to use liquid fuels in their two existing gas-fired boilers. The facility is located at 821 Wanda Avenue, Ferndale, Michigan. New Source Review public notice documents can be viewed on the Web at www.michigan.gov/deqair. If a public hearing is requested, an informational session will be held prior to the hearing in the Gerry Kulick Community Center, Meeting Room 2, 1201 Livernois, Ferndale, Michigan. Following a brief introduction regarding the proposed project, staff will be available to answer questions. The public hearing will immediately follow with formal testimony taken at that time. Information Contact: **D. John Vial**, Air Quality Division, 517-241-7468.

**JULY 23, 2007
7:00 p.m.**

TENTATIVELY SCHEDULED PUBLIC HEARING REGARDING GAGE PRODUCTS, FERNDAL, OAKLAND COUNTY, proposed Permit to Install application to use liquid fuels in their two existing gas-fired boilers. The facility is located at 821 Wanda Avenue, Ferndale, Michigan. New Source Review public notice documents can be viewed on the Web at www.michigan.gov/deqair. If a public hearing is requested in writing by July 16 2007, a public hearing will be held in the Gerry Kulick Community Center, Meeting Room 2, 1201 Livernois, Ferndale, Michigan. Information Contact: **D. John Vial**, Air Quality Division, 517-241-7468.

JULY 25, 2007

DEADLINE FOR PUBLIC COMMENT REGARDING ACCESS BUSINESS GROUP, LLC (SRN: A2402), ADA, KENT COUNTY, for the proposed approval of a draft renewal of a Renewable Operating Permit (ROP) for the operation of a home and personal care product manufacturing facility. The draft permit is intended to simplify and clarify the facility's applicable requirements and will not result in any air emission changes at the stationary source. The ROP public notice documents can be viewed on the Web at www.michigan.gov/deqair. The responsible officials of the stationary source are John Lindseth, Vice President of Manufacturing, and Robert Hunter, Vice President of Facility Maintenance Operations, 7575 East Fulton Road, Ada, Michigan 49301. Comments on the draft permit are to be submitted to Tracey McDonald, Michigan Department of Environmental Quality, Air Quality Division, Grand Rapids District Office, 350 Ottawa Avenue NW, Grand Rapids, Michigan 49503-2341. The decision maker for the permit is Heidi Hollenbach, District Supervisor. Information Contact: **Tracey McDonald**, Air Quality Division, 616-356-0260.

JULY 25, 2007

DEADLINE FOR PUBLIC COMMENT REGARDING CONSUMERS ENERGY COMPANY (SRN: B2942), GAYLORD, OTSEGO COUNTY, for the proposed approval of a draft renewal of a Renewable Operating Permit (ROP) for the operation of an electric power plant serving as a peaking

station, meaning that it operates mainly for short periods when demand for electricity is very high. The draft permit is intended to simplify and clarify the facility's applicable requirements and will not result in any air emission changes at the stationary source. The ROP public notice documents can be viewed on the Web at www.michigan.gov/deqair. The responsible official of the stationary source is Richard Ford, 2742 North Weadock Highway, Essexville, Michigan 48732. Comments on the draft permit are to be submitted Gloria Torello, Michigan Department of Environmental Quality, Air Quality Division, Gaylord Field Office, 2100 West M-32, Gaylord, Michigan 49735. The decision-maker for the permit is Janis Denman, District Supervisor. If requested in writing by July 25, 2007, a public hearing may be scheduled. Information Contact: **Gloria Torello**, Air Quality Division, 989-705-3410.

JULY 25, 2007

DEADLINE FOR PUBLIC COMMENT REGARDING HAWORTH, INC. (SRN: B7186), HOLLAND, ALLEGAN COUNTY, for the proposed approval of a draft renewal of a Renewable Operating Permit (ROP) for the operation of an office furniture manufacturing facility. Partitions, work surfaces, and shelves are made, using both wood and metal raw materials. Various coating and woodworking equipment is utilized in the process. The draft permit is intended to simplify and clarify the facility's applicable requirements and will not result in any air emission changes at the stationary source. The ROP public notice documents can be viewed on the Web at www.michigan.gov/deqair. The responsible official of the stationary source is Robert Stander, VP Global Manufacturing, One Haworth Center, Holland, Michigan 49423. Comments on the draft permit are to be submitted Dale Turton, Michigan Department of Environmental Quality, Air Quality Division, Kalamazoo District Office, 7953 Adobe Road, Kalamazoo, Michigan 49009. The decision-maker for the permit is Mary Douglas, District Supervisor. If requested in writing by July 25, 2007, a public hearing may be scheduled. Information Contact: **Dale Turton**, Air Quality Division, 269-567-3554.

JULY 25, 2007

DEADLINE FOR PUBLIC COMMENT REGARDING WASTE MANAGEMENT, INC. – AUTUMN HILLS RECYCLING & DISPOSAL FACILITY and NORTH AMERICAN NATURAL RESOURCES INC. (SRN: N6006), ZEELAND, OTTAWA COUNTY, for the proposed approval of a draft renewal of a Renewable Operating Permit (ROP) for the operation of an active municipal solid waste landfill and landfill gas treatment facility. The draft permit is intended to simplify and clarify the facility's applicable requirements and will not result in any air emission changes at the stationary source. The ROP public notice documents can be viewed on the Web at www.michigan.gov/deqair. The responsible officials of the stationary source are Randall Dozeman, Division Manager, Waste Management Inc., 700 56th Avenue, Zeeland, Michigan 49464; and Robert Evans, President, North American Natural Resources Inc., 4121 Okemos Road - Suite 17, Okemos, Michigan 48864. Comments on the draft permit are to be submitted to David Morgan, Michigan Department of Environmental Quality, Air Quality Division, Grand Rapids District Office, 350 Ottawa NW – Unit 10, Grand Rapids, Michigan 49503. The decision-maker for the permit is Heidi G. Hollenbach, Grand Rapids District Supervisor. If requested in writing by July 25, 2007, a public hearing may be scheduled. Information Contact: **David Morgan**, Air Quality Division, 616-356-0009 or Email at morgand2@michigan.gov.

JULY 25, 2007

DEADLINE FOR PUBLIC COMMENT REGARDING PROPOSED GENERAL PERMIT CATEGORY FOR THE REPAIR OF OIL AND GAS PIPELINES IN THE STATE OF MICHIGAN. Pursuant to Part 301, Inland Lakes and Streams, and Part 303, Wetlands Protection, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended, the Land and Water Management Division is proposing to issue a new General Permit (GP) to facilitate the repair of oil and gas pipelines that cross inland lakes, streams, and wetlands as required by the provisions of the federal Pipeline Safety Improvement Act. Parts 301 and 303 authorize the issuance of GPs for categories of activities that are similar in nature, will cause only minimal adverse environmental effects when performed separately, and will have only minimal cumulative adverse effect on the environment. If this GP is approved, the DEQ may review and authorize specific pipeline repair projects in an accelerated manner without issuance of any additional public notice. In order to qualify for authorization under this GP, criteria specified in the proposed GP must be met. These criteria include conformance with defined standard procedures and Best Management Practices. The detailed draft GP can be found at www.michigan.gov/deqinlandlakes, or may be requested from the address given below. Written comments should be submitted directly to the Michigan Department of Environmental Quality, Land and Water Management Division, P.O. Box 30458, Lansing, Michigan 48909-7958 to the attention of Peg Bostwick. All comments must be received by Wednesday, July 25, 2007. Information contact: **Peg Bostwick**, Land and Water Management Division, 517-335-3470.

JULY 25, 2007

DEADLINE FOR PUBLIC COMMENT REGARDING THE DRAFT FRANK AND POET DRAIN, BROWNSTOWN CREEK, and BLAKELY DRAIN-MARSH CREEK BIOTA TOTAL MAXIMUM DAILY LOADS (TMDLs). The Water Bureau is announcing the availability of three draft biota TMDLs for comment: Frank and Poet Drain, Brownstown Creek, and Blakely Drain-Marsh Creek. The Frank and Poet Drain, Brownstown Creek, and Blakely Drain-Marsh Creek watersheds are located in Wayne County, and were included on Michigan's Year 2006 Section 303(d) list due to poor macroinvertebrate communities throughout the watersheds. The TMDLs are being developed to identify the necessary pollutant reductions to meet water quality standards. Comments on the TMDLs may be submitted to Kay Edly (Frank and Poet Drain) or Matthew Wesener (Brownstown Creek and Blakely Drain-Marsh Creek), Michigan Department of Environmental Quality, Water Bureau, P.O. Box 30273, Lansing, Michigan 48909-7773, by July 25, 2007. Copies of the draft TMDLs are available from Denise Page at 517-335-6969, or Email at paged@michigan.gov, or on the Web at www.michigan.gov/deg. Information Contact: **Kay Edly**, Water Bureau, at 517-373-4633, or Email at edlyk@michigan.gov, or **Matthew Wesener**, Water Bureau, at 517-335-4180, or Email at wesenerm@michigan.gov.

JULY 25, 2007

DEADLINE FOR PUBLIC COMMENT REGARDING THE DRAFT LAKE ST. CLAIR METROPOLITAN AND MEMORIAL BEACHES *E. coli* TOTAL MAXIMUM DAILY LOAD (TMDL). The Water Bureau is announcing the availability of the Lake St. Clair Metropolitan and Memorial Beaches TMDL for comment. The beaches are located in the vicinity of St. Clair Shores and were included on Michigan's Year 2006 Section 303(d) list due to pathogens. The TMDL is being developed to identify the necessary pollutant reductions to meet the water quality standards for *E. coli*. Comments on the TMDL may be submitted to Christine Alexander, Michigan Department of Environmental Quality, Water Bureau, P.O. Box 30273, Lansing, Michigan 48909-7773, by July 25, 2007. Copies of the draft TMDL are available from Denise Page at 517-335-6969, or Email at paged@michigan.gov, or on the Web at www.michigan.gov/deg. Information Contact: **Christine Alexander**, Water Bureau, at 517-373-6794, or Email at alexandc@michigan.gov.

JULY 25, 2007

DEADLINE FOR PUBLIC COMMENT REGARDING THE DRAFT ROUGE RIVER WATERSHED BIOTA, *E. COLI*, AND DISSOLVED OXYGEN TOTAL MAXIMUM DAILY LOADS (TMDLs). The Water Bureau is announcing the availability of three draft TMDLs for comment: Rouge River Biota, *E. coli*, and dissolved oxygen (Johnson Creek). The Rouge River watershed is located in Oakland, Washtenaw, and Wayne Counties, and was included on Michigan's Year 2006 Section 303(d) list due to poor fish and macroinvertebrate communities, pathogens, and low dissolved oxygen levels. The TMDLs are being developed to identify the necessary pollutant reductions to meet water quality standards and cover the River Rouge (*E. coli* and biota), Bishop Creek (biota), Tonquish Creek (biota), and Johnson Creek (dissolved oxygen) listings. Comments on the TMDLs may be submitted to Kevin Goodwin (biota), Christine Alexander (*E. coli*), or John Suppnick (dissolved oxygen), Department of Environmental Quality, Water Bureau, P.O. Box 30273, Lansing, Michigan 48909-7773, by July 25, 2007. Copies of the draft TMDLs are available from Denise Page at 517-335-6969, or Email at paged@michigan.gov, or on the Web at www.michigan.gov/deg. Information Contact: **Kevin Goodwin**, Water Bureau, at 517-335-4185, or Email at goodwin@michigan.gov, **Christine Alexander**, Water Bureau, at 517-373-6794, or Email at alexandc@michigan.gov, or **John Suppnick**, Water Bureau, at 517-335-4192, or Email at suppnick@michigan.gov.

JULY 25, 2007
6:30-7:00 p.m.

TENTATIVELY SCHEDULED INFORMATIONAL SESSION REGARDING DETROIT THERMAL BEACON HEATING PLANT, DETROIT, WAYNE COUNTY, proposed Permit to Install application to use on-specification oil in Boiler No. 4. The facility is located at 541 Madison Avenue, Detroit, Michigan. New Source Review public notice documents can be viewed on the Web at www.michigan.gov/degair. If a public hearing is requested, an informational session will be held prior to the hearing in the NextEnergy Center Auditorium, 461 Burroughs, Detroit, Michigan. Following a brief introduction regarding the proposed project, staff will be available to answer questions. The public hearing will immediately follow with formal testimony taken at that time. Information Contact: **D. John Vial**, Air Quality Division, 517-241-7468.

JULY 25, 2007
7:00 p.m.

TENTATIVELY SCHEDULED PUBLIC HEARING REGARDING DETROIT THERMAL BEACON HEATING PLANT, DETROIT, WAYNE COUNTY, proposed Permit to Install application to use on-specification oil in Boiler No. 4. The facility is located at 541 Madison Avenue, Detroit, Michigan. New Source Review public notice documents can be viewed on the web at www.michigan.gov/degair. If a public hearing is requested in writing by July 20, 2007, a public

hearing will be held in the NextEnergy Center Auditorium, 461 Burroughs, Detroit, Michigan. Information Contact: **D. John Vial**, Air Quality Division, 517-241-7468.

JULY 26, 2007

DEADLINE FOR PUBLIC COMMENT REGARDING MICHIGAN PAVING & MATERIALS COMPANY, WOODLAND DIVISION, COMSTOCK PARK, KENT COUNTY, proposed Permit to Install application for modification and operation of a hot mix asphalt facility. The facility is located at 3566 Millcreek Avenue NE, Comstock Park, Michigan. New Source Review public notice documents can be viewed on the Web at www.michigan.gov/deqair. If requested by July 26, 2007, an informational session and hearing will be held July 31, 2007 (see July 31 listing in this calendar). Written comments should be sent to the Michigan Department of Environmental Quality, Air Quality Division, P.O. Box 30260, Lansing, Michigan 48909, to the attention of William A. Presson, Acting Permit Section Supervisor. Information Contact: **David Riddle**, Air Quality Division, 517-373-7081.

**JULY 31, 2007
6:30 p.m.**

TENTATIVELY SCHEDULED INFORMATIONAL SESSION REGARDING MICHIGAN PAVING & MATERIALS COMPANY, WOODLAND DIVISION, COMSTOCK PARK, KENT COUNTY, proposed Permit to Install application for modification and operation of a hot mix asphalt facility. The facility is located at 3566 Millcreek Avenue NE, Comstock Park, Michigan. New Source Review public notice documents can be viewed on the Web at www.michigan.gov/deqair. If a public hearing is requested, an informational session will be held from 6:30 p.m. until 7:00 p.m. prior to the hearing in the Plainwell Fire Department Training Center, 4343 Plainfield Avenue, Grand Rapids, Michigan. Following a brief introduction regarding the proposed project, staff will be available to answer questions. The public hearing will immediately follow with formal testimony taken at that time. Information Contact: **David Riddle**, Air Quality Division, 517-373-7081.

7:00 p.m.**

PUBLIC HEARING AND DEADLINE FOR PUBLIC COMMENT REGARDING AUTOALLIANCE INTERNATIONAL (SRN N0929), FLAT ROCK, WAYNE COUNTY: Written comments are being accepted on the draft Administrative Consent Order (ACO) to resolve odor and other violations of Act 451 and the draft Permit to Install (PTI) No. 89-07 for a new plastic parts coating exhaust stack and the ducting of currently uncontrolled topcoat emissions to the existing control system. Additionally, the revisions to the existing permit will require revisions to the Renewable Operating Permit (ROP) No. MI-ROP-N0929-2003. This public comment period meets the public participation requirements for a future administrative amendment to the ROP. The facility is located at 1 International Drive, Flat Rock, Michigan. The responsible official for the source is Gary Roe, AutoAlliance International, Inc., 1 International Drive, Flat Rock, Michigan 48134. Draft ACO, ROP, and New Source Review public notice documents can be viewed on the Web at www.michigan.gov/deqair. Written comments for either the draft ACO or the PTI should be sent to William Presson, Acting Permit Section Supervisor, Michigan Department of Environmental Quality, Air Quality Division, P.O. Box 30260, Lansing, Michigan 48909. The public hearing will be in the Flat Rock Community Center, Banquet South Hall, One Maguire Street, Flat Rock, Michigan. All

AUGUST 8, 2007

statements received by August 1, 2007, will be considered by the decision-maker prior to final action. Information Contacts: **Mike Kovalchick**, Air Quality Division, 517-335-6343 (regarding the ACO); **Stephen Zervas**, Air Quality Division, 517-373-7083 (regarding the PTI).

DEADLINE FOR AIR POLLUTION COMMENT PERIOD ON CONSIDERATION OF CLEAN COAL TECHNOLOGY IN AIR USE PERMITTING: The Michigan Department of Environmental Quality (DEQ) is taking public comments until August 8, 2007, on the DEQ's proposal to include clean coal technology as part of the air permitting process for new coal-fired electric generation in the state of Michigan. Specifically, consideration of Integrated Gasification Combined Cycle (IGCC) technology is proposed to be required as a part of the Best Available Control Technology (BACT) determination. The public comment period is to allow all interested parties the opportunity to comment on the DEQ's proposal. Both federal and state regulations require the use of BACT in the permitting of large air emission sources, such as coal-fired power plants. The federal and state Prevention of Significant Deterioration regulations require that BACT be applied for each pollutant subject to the regulations. BACT is an emission limit based on the maximum degree of reduction for a pollutant and is determined on a case-by-case basis. It is important to note that the BACT limit cannot result in an impact above an air quality standard or any state or federal regulation. Additionally, BACT takes into consideration control options that are achievable through the application of available methods, "including fuel cleaning or treatment or innovative fuel combustion techniques." The DEQ is proposing that IGCC be considered along with other available methods for BACT review as part of the permitting process for coal-fired electric generating units. A copy of the DEQ's fact sheet is available for inspection on the Air Quality Division Web page at www.michigan.gov/deqair; at the Michigan Department of Environmental Quality, Air Quality Division, DEQ, Constitution Hall, 3rd Floor North, 525 West Allegan Street, Lansing, Michigan 48933 (Phone: 517-373-2856); or you may request a copy be mailed to you by calling 517-241-7468. The public is encouraged to present written views on the DEQ's proposal. Written comments should be sent to William Presson, Acting Permit Section Supervisor, DEQ, Michigan Department of Environmental Quality, Air Quality Division, P.O. Box 30260, Lansing, Michigan, 48909-7760. All statements received by August 8, 2007, will be compiled and provided to the DEQ Director for his consideration. Information Contact: **William Presson**, Air Quality Division, 517-373-1209.

AUGUST 8, 2007

DEADLINE FOR PUBLIC COMMENT REGARDING ANR REED CITY COMPRESSOR STATION (SRN: B3721), REED CITY, OSCEOLA COUNTY, for the proposed approval of a draft renewal of a Renewable Operating Permit (ROP) for the operation of The Reed City Compressor Station--a natural gas transmission and compression station which operates two natural gas storage fields, the Loreed and the Reed City Stray Storage Fields. The station utilizes nine natural gas-fired engines for transmission and processing. glycol dehydration systems which are used to remove liquids that are transported out of the reservoirs with the gas. The emissions from the glycol dehydrators are controlled by thermal oxidizers. The draft permit is intended to simplify and clarify the facility's applicable requirements and will not result in any air emission changes at the stationary source. The ROP public notice documents can be viewed on the Web at www.michigan.gov/deqair. The responsible official of the stationary source is Tracy Purcell, Director of operations, 1001 Lousianna Street, Environmental Air Group – Suite S1103A, Houston, Texas 77002. Comments on the draft permit are to be submitted to Allen Retlewski, Michigan Department of Environmental Quality, Air Quality Division, Cadillac District Office, 120 West Chapin, Cadillac, Michigan 49601. The decision-maker for the permit is Janis Denman, District Supervisor. If requested in writing by August 8, 2007, a public hearing may be scheduled. Information Contact: **Allen Retlewski**, Air Quality Division, 231-775-3960, extension 6252.

AUGUST 8, 2007

DEADLINE FOR PUBLIC COMMENT REGARDING DAIMLERCHRYSLER COMPANY LLC, PLYMOUTH ROAD OFFICE COMPLEX (SRN: A8627), DETROIT, WAYNE COUNTY, for the proposed approval of a draft renewal of a Renewable Operating Permit (ROP) for the operation of five natural gas-fired boilers used for power and steam generation, and 21 engine test cells used for the testing of automotive parts. The draft permit is intended to simplify and clarify the facility's applicable requirements and will not result in any air emission changes at the stationary source. The ROP public notice documents can be viewed on the web at www.michigan.gov/deqair. The responsible official of the stationary source is John Garbacik, Building Manager, 14250 Plymouth Road, Detroit, Michigan 48227. Comments on the draft permit are to be submitted to Jill C. Placco, Michigan Department of Environmental Quality, Air Quality Division, Detroit Field Office, 3058 West Grand Boulevard, Suite 2-300, Detroit, Michigan. The decision-maker for the permit is Teresa Seidel, Southeast Michigan District Office. If requested in writing by August 8, 2007, a public hearing may be scheduled. Information Contact: **Jill C. Placco**, Air Quality Division, 313-456-4689.

AUGUST 8, 2007

DEADLINE FOR PUBLIC COMMENT REGARDING DETROIT DIESEL CORPORATION (SRN: A8638), DETROIT, WAYNE COUNTY, for the proposed approval of a draft renewal of a Renewable Operating Permit (ROP) for a diesel engine manufacturing, development and testing facility. The draft permit is intended to simplify and clarify the facility's applicable requirements and will not result in any air emission changes at the stationary source. The ROP public notice documents can be viewed on the Web at www.michigan.gov/deqair. The responsible official of the stationary source is Kenneth Saari, Director of Core Facilities, 13400 West Outer Drive, Detroit, Michigan 48239. Comments on the draft permit are to be submitted to Stephen Weis, Michigan Department of Environmental Quality, Air Quality Division, Detroit Field Office, 3058 West Grand Boulevard, Suite 2-300, Detroit, Michigan. The decision-maker for the permit is Teresa Seidel, Southeast Michigan District Office. If requested in writing by August 8, 2007, a public hearing may be scheduled. Information Contact: **Stephen Weis**, Air Quality Division, 313-456-4688.

AUGUST 8, 2007

DEADLINE FOR PUBLIC COMMENT REGARDING GENERAL MOTORS POWERTRAIN GROUP-WILLOW RUN PLANT (SRN: B2052), YPSILANTI, WASHTENAW COUNTY, for the proposed approval of a draft renewal of a Renewable Operating Permit (ROP) for the operation of automotive transmission production by metal heat treating, machining and assembly. Assembled transmissions are also tested. Four boilers supply steam power to the facility and a wastewater treatment operates on site. The draft permit is intended to simplify and clarify the facility's applicable requirements and will not result in any air emission changes at the stationary source. The ROP public notice documents can be viewed on the Web at www.michigan.gov/deqair. The responsible official of the stationary source is (Section1) Kingsley P. Wootton, Plant Manager, (Section2) Thomas W. Neelands, (Section 3) Jeri M. Ojeda, 2930 Ecorse Road, Ypsilanti, Michigan 48198. Comments on the draft permit are to be submitted to Diane Kavanaugh Vetort, Michigan Department of Environmental Quality, Air Quality Division, Jackson District Office, 301 East Louis Glick Highway, Jackson, Michigan 49201. The decision-maker for the permit is Glen Erickson, Acting District Supervisor. If requested in writing by August 8, 2007, a public hearing may be scheduled. Information Contact: **Diane Kavanaugh Vetort**, Air Quality Division, 517-780-7864.

AUGUST 8, 2007

DEADLINE FOR PUBLIC COMMENT REGARDING LOUISIANA-PACIFIC CORPORATION (SRN N1315), SAGOLA, DICKINSON COUNTY, for the proposed approval of the draft Renewable Operating Permit (ROP) for the Louisiana-Pacific Corporation facility located at N8504 Highway M-95, Sagola, Michigan 49881. The draft ROP is intended to simplify and clarify the facility's applicable requirements and will not result in any air emission changes at the facility. The draft permit is a renewal of ROP #199600018. The ROP public notice documents can be viewed on the web at www.michigan.gov/deqair. The responsible official at the Sagola location is Todd Maki, Plant Manager, N8504 Highway M-95, Sagola, Michigan 49881. Comments on the proposed ROP are to be submitted in writing to Ronald Raisanen, Michigan Department of Environmental Quality, Air Quality Division, Upper Peninsula District Office, 420 5th Street, Gwinn, Michigan 49841. If requested in writing by August 8, 2007, a public hearing will be held on August 13, 2007 (see August 13 listing in this calendar). Information Contact: **Ronald Raisanen**, Air Quality Division, 906-346-8504.

AUGUST 8, 2007

DEADLINE FOR PUBLIC COMMENT REGARDING ROCK-TENN COMPANY (SRN: B4072), BATTLE CREEK, CALHOUN COUNTY, for the proposed approval of a draft renewal of a Renewable Operating Permit (ROP) for the operation of boxboard manufacturing equipment. The draft permit is intended to simplify and clarify the facility's applicable requirements and will not result in any air emission changes at the stationary source. The ROP public notice documents can be viewed on the Web at www.michigan.gov/deqair. The responsible official of the stationary source is Bud Kurtz, 177 Angell Street, Battle Creek, Michigan 49015-1958. Comments on the draft permit are to be submitted to Kirsten S. Clemens, P.E., Michigan Department of Environmental Quality, Air Quality Division, Kalamazoo District Office, 7953 Adobe Road, Kalamazoo, Michigan 49009. The decision-maker for the permit is Mary Douglas, District Supervisor. If requested in writing by August 8, 2007, a public hearing may be scheduled. Information Contact: **Kirsten S. Clemens, P.E.**, Air Quality Division, 269-567-3548.

AUGUST 9, 2007

2008 SECTIONS 303(d), 305(b), AND 314 INTEGRATED REPORT – DRAFT ASSESSMENT METHODOLOGY. The Michigan Department of Environmental Quality (MDEQ), Water Bureau (WB), is accepting written comments on the draft assessment methodology for the Water Quality and Pollution Control in Michigan, 2008 Sections 303(d), 305(b), and 314 Integrated Report. Every two years, the DEQ, WB, prepares and submits an Integrated Report to the U. S. Environmental

Protection Agency to satisfy the listing requirements of Section 303(d) and the reporting requirements of Sections 305(b) and 314 of the federal Clean Water Act. The Integrated Report describes the status of water quality in Michigan and includes a list of water bodies that are not attaining Michigan Water Quality Standards and require the establishment of pollutant Total Maximum Daily Loads (TMDLs). The assessment methodology will ultimately be a chapter in the 2008 Integrated Report and includes a description of the data and information that are used to determine designated use support, how the WB makes designated use support determinations, and how the WB delists TMDL classified assessment units. The draft assessment methodology can be viewed on the Web at www.michigan.gov/deq. Comments may be submitted by August 9, 2007, to **Sarah LeSage**, Michigan Department of Environmental Quality, Water Bureau, 525 West Allegan Street, P.O. Box 30273, Lansing, Michigan 48909-7773, 517-241-7931, or Email at lesages@michigan.gov.

AUGUST 13, 2007
10:00 a.m.

TENTATIVELY SCHEDULED PUBLIC HEARING REGARDING LOUISIANA-PACIFIC CORPORATION (SRN N1315), SAGOLA, DICKINSON COUNTY, for the proposed approval of the draft Renewable Operating Permit (ROP) for the Louisiana-Pacific Corporation facility located at N5041 Highway M-95, Sagola, Michigan 49881. The draft ROP is intended to simplify and clarify the facility's applicable requirements and will not result in any air emission changes at the facility. The draft permit is a renewal of ROP #199600018. If requested in writing by August 8, 2007, a public hearing will be held at the Michigan Department of Environmental Quality, Upper Peninsula District Office, 420 5th Street, Gwinn, Michigan. Please note that the DEQ District Office is located at the old K.I. Sawyer Air Force Base. Information Contact: **Ronald Raisanen**, Air Quality Division, 906-346-8504.

AUGUST 14, 2007

INTENT TO SUBMIT AN APPLICATION FOR CLEAN CORPORATE CITIZEN DESIGNATION, US MANUFACTURING CORPORATION, WARREN, MACOMB COUNTY. The Michigan Department of Environmental Quality has received notice from US Manufacturing Corporation of its intent to apply for Clean Corporate Citizen (C3) designation. The C3 program provides incentives for improved environmental protection. Regulated establishments that have demonstrated environmental stewardship can receive C3 designation and public recognition for their efforts and are entitled to certain regulatory benefits. As part of the application process, US Manufacturing Corporation will be accepting public comments and making its application available for public review from July 16, 2007 until August 14, 2007 at the Warren Civic Center Library. Contact Mutie Khatib directly to submit comments or for information on reviewing the application. Written comments may also be submitted directly to the Michigan Department of Environmental Quality, Environmental Science and Services Division, P.O. Box 30457, Lansing, Michigan 48909-7957, Attn: Clean Corporate Citizen Program. Please include the specific facility name in any letters submitted for public comment. Information Contact: **Mutie Khatib**, US Manufacturing Corporation, 586-467-1600.

AUGUST 17, 2007

DEADLINE FOR PUBLIC COMMENT REGARDING M-LOK INC./REILLY PLATING COMPANY, MELVINDALE, WAYNE COUNTY, proposed Permit to Install application for request for facility-wide federally enforceable permit limit on Hazardous Air Pollutant emissions below major source thresholds. The facility is located at 17760 Clarann, Melvindale, Michigan. New Source Review public notice documents can be viewed on the Web at www.michigan.gov/deqair. If requested by August 17, 2007, a hearing will be held August 23, 2007 (see August 23 listing in this calendar). Written comments should be sent to the Michigan Department of Environmental Quality, Air Quality Division, P.O. Box 30260, Lansing, Michigan 48909, to the attention of William A. Presson, Acting Permit Section Supervisor. Information Contact: **Mark C. Mitchell**, Air Quality Division, 517-373-7077.

AUGUST 22, 2007

DEADLINE FOR PUBLIC COMMENT REGARDING GRANGER GRAND RIVER AVENUE LANDFILL (SRN: N5996), GRAND LEDGE, CLINTON COUNTY, for the proposed approval of a draft renewal of a Renewable Operating Permit (ROP) for the operation of a landfill with an associated gas-to-energy plant. The draft permit is intended to simplify and clarify the facility's applicable requirements and will not result in any air emission changes at the stationary source. The ROP public notice documents can be viewed on the Web at www.michigan.gov/deqair. The responsible official of the stationary source is Ralph Nuernberg, President, Granger Land, and Joel Zylstra, President, Granger Electric, P.O. Box 27185, Lansing, Michigan 48909. Comments on the draft permit are to be submitted by August 22, 2007, to Daniel McGeen, Michigan Department of Environmental Quality, Air Quality Division, Lansing District Office, 4N, P.O. Box 30242, Lansing, Michigan 48909. The decision-maker for the permit is Michael F. Masterson, District Supervisor. If

	requested in writing by August 22, 2007, a public hearing may be scheduled. Information Contact: Daniel McGeen , Air Quality Division, 517-335-6347.
AUGUST 22, 2007	DEADLINE FOR PUBLIC COMMENT REGARDING GRANGER WOOD STREET LANDFILL (SRN: N5997), LANSING, CLINTON COUNTY , for the proposed approval of a draft renewal of a Renewable Operating Permit (ROP) for the operation of a landfill with an associated gas-to-energy plant. The draft permit is intended to simplify and clarify the facility's applicable requirements and will not result in any air emission changes at the stationary source. The ROP public notice documents can be viewed on the Web at www.michigan.gov/deqair . The responsible officials of the stationary source are Ralph Nuernberg, VP, Granger Waste Management, Joel Zylstra, President, Granger Electric, and Steve Reed, VP, Granger Container, 16980 Wood Road, P.O. Box 27185, Lansing, Michigan 48906. Comments on the draft permit are to be submitted to Daniel McGeen, Michigan Department of Environmental Quality, Air Quality Division, Lansing District Office, 4N, P.O. Box 30242, Lansing, Michigan 48909. The decision-maker for the permit is Michael F. Masterson, District Supervisor. If requested in writing by August 22, 2007, a public hearing may be scheduled. Information Contact: Daniel McGeen , Air Quality Division, 517-335-6347.
AUGUST 22, 2007 1:30 p.m.	PUBLIC HEARING REGARDING THE DRAFT FISCAL YEAR 2008 PROJECT PRIORITY LIST (PPL) AND DRAFT INTENDED USE PLAN (IUP) FOR THE DRINKING WATER REVOLVING FUND (DWRF) . The Michigan Department of Environmental Quality (DEQ) will hold a public hearing on the draft Fiscal Year 2008 PPL for the DWRF, that lists projects for which complete, final Project Plans were submitted to the DEQ by May 1, 2007, and the draft Fiscal Year 2008 IUP. These documents can be found on the Department's Web site www.michigan.gov/deq , or you may call 517-373-2161 to have the packet mailed to you. The Public Hearing will be held at 1:30 p.m. at the Michigan Department of Environmental Quality, Constitution Hall, Con Con A Conference Room on the Atrium Level. The address is 525 W. Allegan, Lansing, Michigan. The hearing record will remain open to receive written comments until 5:00 p.m. on August 27, 2007. Comments should be sent to: Chip Heckathorn, Chief, Revolving Loan and Operator Certification Section, Michigan Department of Environmental Quality, Environmental Science and Services Division, P.O. Box 30457, Lansing, MI 48909-7957. Information Contact: Chip Heckathorn , Environmental Science and Services Division, 517-373-4725.
AUGUST 23, 2007 9:00 a.m.	TENTATIVELY SCHEDULED PUBLIC HEARING REGARDING M-LOK INC./REILLY PLATING COMPANY, MELVINDALE, WAYNE COUNTY , proposed Permit to Install application for proposed for facility-wide federally enforceable permit limit on Hazardous Air Pollutant emissions below major source thresholds. The facility is located at 17760 Clarann, Melvindale, Michigan. New Source Review public notice documents can be viewed on the Web at www.michigan.gov/deqair . If requested by August 17, 2007, a public hearing will be held in Constitution Hall, Lillian Hatcher Conference Room, 3 rd Floor North, 525 West Allegan Street, Lansing, Michigan. Information Contact: Mark C. Mitchell , Air Quality Division, 517-373-7077.

MEECS (MICHIGAN ENVIRONMENTAL EDUCATION CURRICULUM SUPPORT) TRAINING WORKSHOPS, VARIOUS LOCATIONS, MICHIGAN. The Michigan Department of Environmental Quality is pleased to announce that Michigan is among only a handful of states to create its own environmental education curriculum, known as the MEECS. This project is designed to provide students in grades four through nine with an opportunity to learn about their environment through five different curriculum units: Air Quality, Ecosystems & Biodiversity, Energy Resources, Land Use, and Water Quality. Over 190 teacher trainings have been conducted; more workshops will continue to be scheduled. A full brochure with workshop dates, times, and locations is available on the Web at www.michigan.gov/deq-meeecs. Please check for updates on the MEECS Website as more workshops are scheduled. Registration Fee: Varies by location. Registration Information: Varies by location; see Web brochure. Information Contact: **Thomas Occhipinti**, Executive Division, 517-373-2379, or Email at occhipit@michigan.gov.

RENEWABLE OPERATING PERMIT (ROP) APPLICATION TRAINING, CONSTITUTION HALL, LANSING, MICHIGAN. The Michigan Department of Environmental Quality's Environmental Assistance Program is offering this workshop designed to help you complete your initial or renewal ROP application using the PASS-ROP software. You will be taken step by step through the software in an interactive, hands-on format. You will also receive the "PASS-ROP Workbook" and other guidance materials. This workshop is specifically geared towards facilities that have recently become subject to the ROP Program and facilities that must renew their existing ROP and are within 18 months of their current ROP's expiration date. Anyone interested in learning how to complete and submit an ROP application using the PASS-ROP software is also welcome. Online registration is available on the Web at www.michigan.gov/deqworkshops, click on "Upcoming DEQ Workshops". Registration Fee: \$50, which includes parking in the Ellis Parking Lot on the east side of Constitution Hall. Information Contact: **James Ostrowski**, Environmental Science and Services Division, 517-241-8057, or Email at ostrowsj@michigan.gov. Registration Information: **Environmental Assistance Center**, 800-662-9278, or Email at deq-ead-env-assist@michigan.gov.

MONTHLY AIR PERMIT APPLICATION WORKSHOP FOR FIRST-TIME APPLICANTS, CONSTITUTION HALL, LANSING, MICHIGAN.

For most first-time applicants, completing the Permit to Install application is a daunting task. However, submitting a complete and timely application can be more manageable if you know what's expected. The Michigan Department of Environmental Quality is offering this workshop designed to give information on how to submit a complete permit application. Since this workshop is geared to first-time applicants, a significant portion of the session is devoted to your specific application. Air Quality Division permit engineers will be available to discuss your permit application with you one-on-one. To take full advantage of this time with the permit engineer, it is recommended you bring detailed information about your project with you to the session. This training is designed for first-time air permit applicants who need help completing their permit application; however, those who have applied before and need a refresher are welcome to attend as well. Online registration is available on the Web at www.michigan.gov/degworkshops, click on "Upcoming DEQ Workshops". Registration Fee: \$25, which includes parking in the Ellis Parking Lot on the east side of Constitution Hall and training manual. Information Contact: **James Ostrowski**, Environmental Science and Services Division, 517-241-8057, or Email at ostrowsj@michigan.gov. Registration Information: **Environmental Assistance Center**, 800-662-9278, or Email at deg-ead-env-assist@michigan.gov.

TURNING REACH INTO AN OPPORTUNITY: A TRAINING ON IMPLEMENTING THE EUROPEAN UNION'S NEW REACH LEGISLATION, LANSING COMMUNITY COLLEGE WEST CAMPUS, LANSING, MICHIGAN.

REACH – Registration, Evaluation, and Authorization of Chemicals – is the recently adopted overhaul of the chemicals management system in the European Union (EU). Entered into force June 1, 2007, REACH has important implications for U.S. firms exporting to European Member States. In order to help U.S. companies implement REACH and move beyond the law toward sustainable chemicals management, the Michigan Department of Environmental Quality and Lowell Center for Sustainable Production are presenting this training. Attend this one-day training to learn from one of the few REACH authors and other experts about what you need to know to comply with REACH, stay competitive, and advance more sustainable chemicals management in your firm. Any company which exports chemicals or chemical mixtures into the EU; competes in Europe, the U.S. or elsewhere with products meeting European standards; or exports finished products to Europe should attend this training. Attendees will receive a database of tools and resources to help them make informed decisions about chemicals alternatives. For complete conference agenda and registration information, go to www.chemicalspolicy.org/registration/shtml. Registration fee is \$100 and includes continental breakfast, lunch, and conference materials. Pre-registration and pre-payment are required. Registration and Information Contact: **Yve Torrie**, Lowell Center for Sustainable Production, 978-934-3121.

BROWNFIELDS 2008, COBO CENTER, DETROIT, MICHIGAN. Save the date! Gear up for the largest gathering of national and international Brownfields stakeholders. With nearly 6,000 attendees, over 150 educational sessions, more than 200 exhibitors, and unrivaled networking events, the U.S. Environmental Protection Agency and the International City/County Management Association co-sponsored National Brownfields Conference is the premier event of its kind.

"Brownfields 2008" includes timely and valuable knowledge and skill building workshops, exceptional business development and networking opportunities, and hundreds of product and service providers in the exhibit hall to meet your project needs. The Michigan Department of Environmental Quality is an endorser of this event. Visit www.brownfields2008.org to learn the latest and sign up for the "Brownfields 2008" e-newsletter. Registration information coming soon. Information Contact: **Ronald Smedley**, Remediation and Redevelopment Division, 517-373-4805, or Email at smedleyr@michigan.gov.
